It was a great to see everyone at the
Free Fall Conference!
A big thank you to our presenters:
Gala, Brian and Julia.

THANK YOU!!!

Leadership Academy Graduates

Congratulations to Ohio APT's latest graduates:

Katie Wootton

Shannon Flynn

Ohio APT will be sponsoring an Ohio APT Member to participate in the Leadership Academy Class of 2018. Unfortunately the 2017 class is full. If you are interested in this opportunity please let us know. If you have already expressed interest, I have your name on a list. We will be having a 'drawing' for the winner!

We are Ohio APT and we are made up of wonderful, talented and passionate people! One of our goals is to get to know each of you better so we can highlight our individual expertise and interests! This will also contribute to better networking among our members! Please send a brief biography and photo (it's helpful to put a face with a name!). Below is a sample biography format you can follow or make up your own!!

Cobin is a Licensed Professional Clinical Counselor-Supervisor who obtained her Bachelor's degrees from Ohio Northern University in Psychology and Elementary Education and her Master's Degree in Community Counseling from the University of Dayton. She is also certified as a Registered Play Therapist Supervisor and Elementary Education Teacher. She currently serves as the OAPT Communication's Director. Cobin is a member of the Southwest Ohio Chapter of Infant Mental Health.

Cobin currently works for Compass Point Counseling Service, a large private practice in the Cincinnati area. She specializes in working with very young children (0-5) and their families. She is trained in Theraplay and utilizes Floortime and Filial principles as well. Currently she is very passionate about how nutritional health impacts the mental health of young children and is pursuing education in this area.

Cobin has been married to Mark for 23 years and has two children, Lydia, who is nine and Jude, who is soon to be seven. They reside with their furry friends, foster pups, Maggie and Josie. They have also been adopted by two stray cats, Louie and Sissy. Cobin loves being outdoors whether it's hiking or just walking or biking.

Congratulations

**Jessica Warrick on earning her RPT
&
Desiree McAllister on earning her RPT-S**

Dear Ohio APT Members,

In the upcoming future, The Counseling Source in Blue Ash, Ohio, will be offering more Play Therapy CEUs to help our staff and other mental health professionals work toward their Registered Play Therapist Credentials. As many of you know, TCS received our APT approved provider status last year. This program is designed to offer a minimum of 6 credit hours a month toward play therapy certification. As the program grows we will eventually offer webinars, and evening trainings. Dates are flexible right now, but we are looking into one Saturday a month. Weekdays may be available as well if that works better for your schedule. The trainings will be offered to all TCS staff and other therapists in the community interested in play therapy.

We are looking for people interested in presenting 3 or 6 hour trainings. I have included a basic list of topics, but this is not all inclusive. I would like to start offering some of the more basic, beginner level courses first, and then some of the more advanced.

If you are interested in presenting on Play Therapy, please email me back with the following:

Topic or Topics you are interested in presenting:

Dates you are available:

Length of Presentation (3, 6 or other):

How much do you charge for presenting, travel, lodging if necessary?

I am very excited for this project. I look forward to hearing from you! If you have questions or want to talk further feel free to email or call me (513-673-7008). If you aren't interested in presenting but would like to know more about upcoming offerings, please contact me as well.

Katie Moore, LPCC-S, RPT
